\*\*\*For the safety of your child and other campers, if a child has behavior concerns in school or field trip time. We reserve the right to withhold the child's field trip with no refund.

# Cresco Montessori School

**Camp Cresco  
2013!**

## 1. May 28 – May 31 Space Camp

[www.fernbankmuseum.org](http://www.fernbankmuseum.org)

This kick off to camp will be out of this world. Our campers will study the solar system, learn what it takes to be an astronaut, and sample some out of this world Astronaut foods!

## 2. June 3-7: Animal Kingdom

[www.zooatlanta.org](http://www.zooatlanta.org)

Campers will put themselves in the role of Zoologist, studying various species of animals, their habitats and sharing experiences of caring for family pets.

## 3. June 10-14: Cooking Caper

[www.youngchefsacademy.com](http://www.youngchefsacademy.com)

A fun filled week of cooking and recipe creating. We will learn about the food pyramid, measuring, and develop our own recipes. Each day we will create our own snack. On Friday, we will cook our own lunch.

## 4. June 17-21: Art – A – Palooza

[www.thehudgets.org](http://www.thehudgets.org)

Let the creativity flow with this week of painting, clay, and pastels. We will also make our own puppets and put on a show. On Friday, tour our gallery and experience the masterpieces we have created!

## 5. June 24-28: Prehistoric Adventures

[www.fsc.fernbank.edu](http://www.fsc.fernbank.edu)

Our junior Paleontologists will learn about the many dinosaurs that roamed the earth. We will go on a dig for dinosaur bones, create dinosaur eggs and make our own fossils. Each camper will do a study of their favorite dinosaur!

## 6. July 1-5: Celebrate America

[www.stonemountainpark.org](http://www.stonemountainpark.org)

Learn about the USA, GA, and our own town's history! Put on your star spangled gear and join us for a rocking good time including a water day and cook out! We will enjoy speeches from all campers on "Why I Love America".

## 7. July 8-12: Science Explosion

[www.cdc.gov/museum/tours](http://www.cdc.gov/museum/tours)

Let the learning explosion begin as campers participate in science experiments and projects: Solid to Liquid, magic chemistry fun, and "exploding" soda!

## 8. July 15-19: Around the Globe

[www.georgiaaquarium.org](http://www.georgiaaquarium.org)

Bon Voyage as we travel the world learning about different countries, cultures, arts, food and dance. We have an International pot luck lunch on Friday.

## 9. July 22-26: Wild, Wild West

[www.sixflags.com](http://www.sixflags.com)

Campers will learn to live like the Pioneers did! We will make our own covered wagons, map our journey across the US, build a teepee and cook outdoors.

## 10. July 29-Aug 2: Future Stars Camp

[www.childrensmuseumatlanta.org](http://www.childrensmuseumatlanta.org)

Children share their dreams/goals of what they want to do when they grow up. We learn some skills needed for professional careers and set goals to reach them.
